

## **Before Starting the Project Listings for the CoC Priority Listing**

Collaborative Applicants must rank or reject all Project Applications –new projects created through reallocation, renewal projects, CoC planning projects, and UFA Costs projects - submitted through e-snaps from project applicants prior to submitting the CoC Project Listings.

Permanent Supportive Housing (PSH) Bonus projects must also be ranked on the New Project Listing using 999. Collaborative Applicants can only submit 1 PSH Bonus project.

Additional training resources are available online on the CoC Training page of the OneCPD Resource Exchange at: <https://www.onecpd.info/e-snaps/guides/coc-program-competition-resources/> .

### Things to Remember

- There are four separate forms in e-snaps that make up the Priority Listings, which lists the new projects created through reallocation, renewal, CoC planning, and UFA Costs project applications that the Collaborative Applicant intends to submit on behalf of the CoC. The Priority Listing ranks the projects in order of priority and identifies any project applications rejected by the CoC. All renewal and new projects created through reallocation, CoC planning, and UFA Costs project applications must be accepted and ranked or rejected by the Collaborative Applicant. Ranking numbers must be unique for each project application submitted.
  - Collaborative Applicants are strongly encouraged to list all project applications on the FY2014 CoC Ranking Tool located on the OneCPD Resource Exchange to ensure a ranking number is used only once. The FY 2014 CoC Ranking Tool will assist the Collaborative Applicant during the ranking process among the four Project Listings.
  - Any project applications rejected by the Collaborative Applicant must select the reason for rejection.
  - Collaborative Applicants are required to notify all project applicants no later than 10 days before the application deadline regarding whether their project applications would be included as part of the CoC Consolidated Application submission.
  - If the Collaborative Applicant needs to amend a project for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant must be sure to rank the amended project once it is returned to the Project Listing and verify that the rank number assigned has not been assigned to another project on a different Project Listing.
  - Only 1 CoC Planning project can be ranked on the CoC Planning Project Listing.
  - Only 1 UFA cost project can be ranked on the UFA Cost Project Listing.
- 
- Only 1 PSH Bonus project can be ranked, using 999, on the New Project Listing.

## 2. Reallocation

### Instructions:

FY 2014 CoC Priority Listing Detailed Instructions URL: <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources> .

**2-1 Is the CoC reallocating funds from one or more eligible expiring grant(s) into one or more new permanent supportive housing projects dedicated to chronically homeless persons?** Yes

**2-2 Is the CoC reallocating funds from one or more eligible expiring grant(s) into one or more new rapid re-housing project for families?** No

**2-2.1 If the CoC is planning to reallocate funds to create one or more new rapid re-housing project for families, describe how the CoC is already addressing chronic homelessness through other means and why the need to create new rapid re-housing for families is of greater need than creating new permanent supportive housing for chronically homeless persons.  
(limit 1000 characters)**

N/A

**2-3 If the CoC responded 'Yes' to either of the questions above, has the recipient of the eligible renewing project being reallocated been notified?** Yes

### 3. Reallocation - Grant(s) Eliminated

**CoCs planning to reallocate into new permanent supportive housing projects for the chronically homeless or rapid re-housing for households with children may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating projects entirely must identify those projects on this form.**

Amount Available for New Project: (Sum of All Eliminated Projects)				
Eliminated Project Name	Grant Number Eliminated	Component Type	Annual Renewal Amount	Type of Reallocation
This list contains no items				

## 4. Reallocation - Grant(s) Reduced

**CoCs planning to reallocate into new permanent supportive housing projects for the chronically homeless or rapid re-housing for households with children may do so by reducing one or more expiring eligible renewal projects. CoCs that are reducing projects must identify those projects on this form.**

Amount Available for New Project (Sum of All Reduced Projects)					
\$81,478					
Reduced Project Name	Reduced Grant Number	Annual Renewal Amount	Amount Retained	Amount available for new project	Reallocation Type
Project Bienestar	AZ0129L9T011301	\$401,143	\$319,665	\$81,478	Regular

## 4. Reallocation - Grant(s) Reduced Details

**4-1 Complete each of the fields below for each eligible renewal grant this is being reduced during the FY 2014 reallocation process. Collaborative Applicants should refer to the final HUD-approved FY 2014 Grant Inventory Worksheet to ensure all information entered on this form is correct.**

**Reduced Project Name:** Project Bienestar

**Grant Number of Reduced Project:** AZ0129L9T011301

**Reduced Project Current Annual Renewal Amount:** \$401,143

**Amount Retained for Project:** \$319,665

**Amount available for New Project(s):** \$81,478  
**(This amount will auto-calculate by selecting "Save" button)**

**4-2 Describe how the CoC determined that this project should be reduced. (limit 750 characters)**

All renewal projects which completed a full operating year were scored and rated based on performance, utilization, data quality, and CoC participation. It was decided in advance that the lowest scoring projects would be placed in Tier 2. The lowest scoring project's ARA is \$91,588, which is \$81,478 short of 2% ARD. To avoid placing all \$401,143 of the next lowest-scoring project into Tier 2, the TPCH Governance Board decided to reallocate \$81,478 of Project Bienestar to create a new permanent supportive housing project in Tier 2.

## 5. Reallocation - New Project(s)

**CoCs must identify the new project(s) it plans to create and provide the requested information for each project.**

Sum of All New Reallocated Project Requests
