Blankets/Summer Sun	Jerry	1. No updates on the blankets. We're not yet distributing for the colder season yet. Blankets are stored in 4 locations. 2. Get in touch with Bill or Yoli of the Salvation Army for water, they have several cases. Water will be needed for Tucson Homeless Connect on October 12.	
Publications Update	Settle	1. Getting low on the Need Helps, probably down to 3,500. Right now we are working on the conference & NOFA. We would like to update it this Fall.	
Old/New Business	All	1. A new building has been signed for, which will be built by the Trinity Church, and will serve as an additional El Rio. Hopefully it will be finished early next year. 2. Committee previously discussed family shelters. DeDe has a list of churches around town to call & ask if they offer services. If they do not, ask whether they'd like to speak to their committees to start offering some sort of services. These churches may know of other churches that offer services. 3. Gospel Rescue Mission provides furnishings & clothing. They will be needing to get rid of things by the end of Sept. because they will be starting construction. Contact Gary Williams at Center of Opportunity, & Suzanne Williams at Community Ministries if interested in picking things up. 4. Priscilla developed a categorized list of topics discussed at the last meeting, pertaining to creating awareness, resources, & funding. There are other communities with the same issues who are developing ways to meet community needs. 5. There is discussion about running concurrent planning grants, so we may hire a prenavigation/outreach specialist. 6. John Matheny would like to discuss the ESG CAPER at the next meeting.	Next meeting, DeDe will bring church contacts.
Review for CoS		1. DeDe will review the minutes from this meeting to prepare her report to CoS.
