Youth Action Committee update	Megan Jackson Carlos	YAC, who meets once per week, is the driving force & decision maker for the Homeless Youth subcommittee. Some youth don't understand what TPCH & HY subcommittee are. In need of a YAC/HY joint meeting. Attendance has declined since moving the meetings to YOTO. The main library has offered space to host the meetings. Transportation is also a barrier. There is a \$100 monthly stipend for youth that attend 3 of 4 meetings per month. HY needs to know what YAC wants & needs them to do. One of the youth is about to age out; she could act as a liaison between YAC & HY. Food is important to the youth, they're having trouble with finding sponsors for the meetings. The joint meeting could be during a regularly occurring YAC meeting.	Starting in June, the first Thurs. of the month will be the joint meetings.
Update on Metro Tuesdays	Jake Janice Diego	Report for April. 3 rd : Housing, there was no agency, 2 or 3 resource agencies, & 3 enrollments with CODAC. 17 th : Dinner hosted 20 people. 24 th : Jobs, 1 youth was there, this is still building momentum. Report for May. 1 st : Housing, only a few youth, program kids are not coming, only metro & street youth are showing up. We should maintain the 1 st , 2 nd , & 4 th Tuesdays as is. No one signed up for food in May. Jake & Janice will be gone for much of the summer, so they won't be able to oversee these events.	
Chairs for new year	All	Email Megan & Jackson if interested in running for chair or vice chair.
